

**DECLARATION COMBINED WITH PETITION AND POWER OF ATTORNEY
JOINT INVENTORS**

ATTORNEY'S
DOCKET
NUMBER **5093**

We, the undersigned petitioners, declare that the information in items 201, 202, and 301 below is true, that we believe that we are the original, first and joint inventors of the invention described and claimed in the attached specification; that we acknowledge our duty to disclose information of which we are aware which is material to the examination of this application; that, as to subject matter of this application which is common to our earlier United States application, if any, described in item 105 below, we do not believe that the same was ever known or used in the United States before our invention thereof or patented or described in any printed publication in any country before our invention thereof or more than one year prior to said earlier application, or in public use or on sale in the United States more than one year prior to said earlier application, that the said common subject matter has not been patented or made the subject of an inventor's certificate before the date of said earlier application in any country foreign to the United States on an application, filed by us or our legal representatives or assigns more than twelve months prior to said application and that no application for patent or inventor's certificate on said subject matter has been filed by us or our representatives or assigns in any country foreign to the United States except those identified in item 600 below, if any; that, as to any subject matter of this application which is not common to said earlier application, we do not know and do not believe that the same was ever known or used in the United States before our invention thereof or patented or described in any printed publication in any country before our invention thereof or more than one year prior to the date of this application, or in public use or on sale in the United States more than one year prior to the date of this application, and that said subject matter has not been patented or made the subject of an inventor's certificate in any country foreign to the United States on an application filed by us or our legal representatives or assigns more than twelve months prior to the date of this application; and that no application for patent or inventor's certificate on said non-common subject matter has been filed by us or our representatives or assigns in any country foreign to the United States, except those identified in item 600 below.
